Presidents Report:

- Discussion regarding interviews of 2 candidates on September 8, 2025.
- Clarice, Ron and Sandra met with the candidates, it was determined after the interviews the candidates would not be a suitable fit.
- Discussion about any of the candidates suitable for working part time, it was determined these candidates were not suitable.
- Discussion about other curling clubs having difficulty finding candidates that suit seasonal work, 35 hours per week.
- Board will continue to seek a candidate through posting online on various platforms (re-post bar manager job/re-write job description)
- Other clubs took considerable amounts of time finding suitable candidates, with the qualifications or suitability club is seeking. Cost of job posting is about \$600, consensus of board to approve cost and re-write job description for bar manager. Sandra has a job description (generic) to entice someone to apply (duties inventory, ordering, scheduling).
- Discussion regarding any current bar staff qualified to do the job (bar manager), due to various bar staff and their schedules there isn't an internal candidate at this time.

Financials

- Review of Proposed Budget line by line, highlights of budget membership increase by 5% next season, \$25 membership increase and \$25 league fee increase.
- Locker rentals increase by \$25 per locker
- Wage & Benefits remain the same
- Bar price remain the same
- New Horizon's for two shoe cleaners. This is the third application, request was declined.
- Community Grant application (\$140K), awaiting response should be heard by the end of September.
